

Using News2You Supports in Empower

- Download and Unzip the file for the weekly file to upload.
- Transfer the unzipped file to a flash drive.
- Insert the flash drive into the side of your Accent.

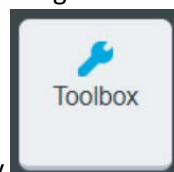

- Power up Empower

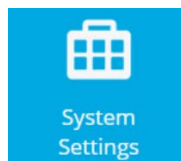

- Go to the Toolbox by choosing 'Menu'

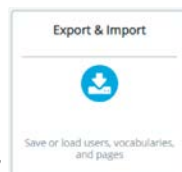

- Choose the 'Toolbox' key

- Choose 'System Settings'

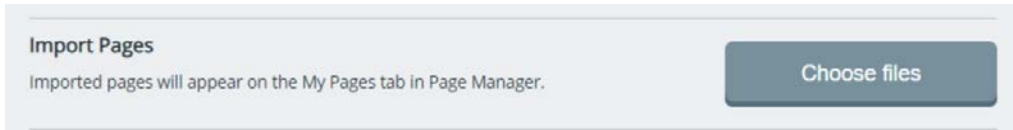

- Choose 'Export & Import'

- Choose 'Import' on the top bar

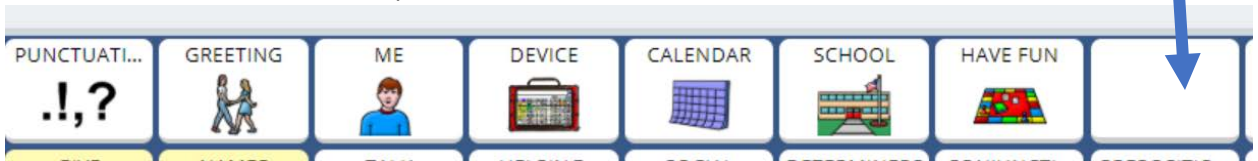

- Choose 'Choose files' in the Import Page section.

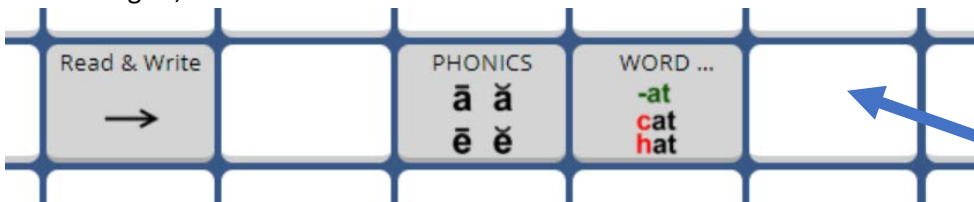

- Locate the file on your flash drive and import it into Empower

You will now need to create a link to open this page. You will need to choose where to access this page. We suggest either of these two places:

- Add to a blank location on the top row.

- Add to 'Pages', 'Read & Write' row

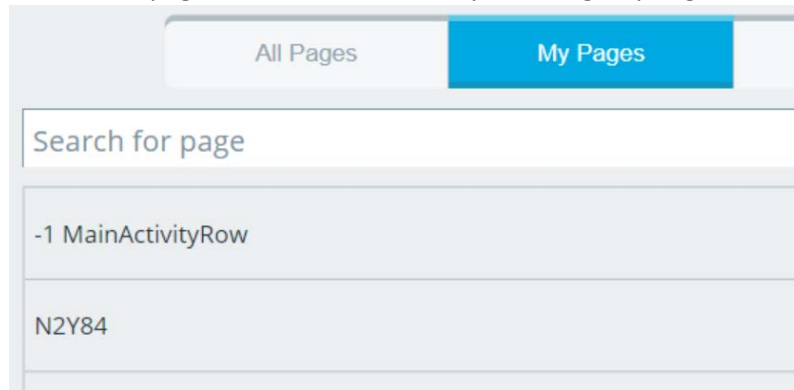

- Select menu, Editor, and choose "edit". Now touch the blank location where you'd like to link your News2You vocabulary page.
 - Add 'N2Y' to the Label box.

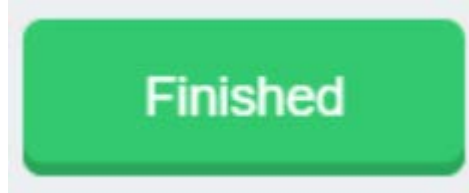

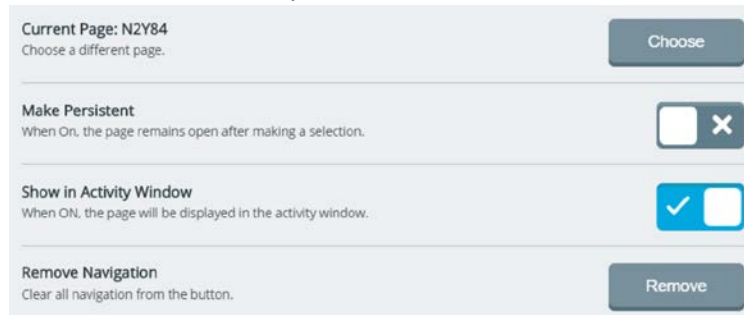

- Choose a Symbol and change the color if desired
- Choose 'Navigation'
 - Choose the 'Go to Page' box

- Choose the page which can be found by selecting 'My Pages'

- Make sure the Current Page is the one you wanted to import
- Do Not make this Persistent
- Choose 'Show in Activity Window'

- Choose 'Finished'.
- Choose 'Save'.
