

# We Are Home

# Instructions

- Describe and model words on the device.
- Read the story out loud with the student.
- Read the story again and have the student find the phrases on their device.
- If they are unable to find a word, model on the device where to find it and let them try again.

School is closed. We cannot go.  
It looks like we will stay at home.

This is weird. What will we do?  
I can think of a game or two.

We can sing or play or cook.  
We can even read a book.

Our teacher has lessons that we  
need.  
We can learn. We can read.

We can help around the house.  
But there will be times we will  
need to go out.

We will need to wash our hands.  
Don't touch our face if we can.

Many people are getting sick.  
We may feel scared. It won't be  
quick.

If we feel sick, what should we do?  
Tell mom or dad who will help you.

We will need to stay at home.  
We can call friends on the  
phone.

We may feel a lot of things.  
Be sure to tell someone about  
your feelings.
