What to do

Use this writing template with your students so they can practice using prepositions.

Model the vocabulary for the student. Have them use their device to fill in the blank after looking at the picture. If they get stuck, model some possibilities and ask them to try again.

After completing the story, have them use their device to read the story out loud.

If using a device that supports computer emulation, students can use their device to write their story.

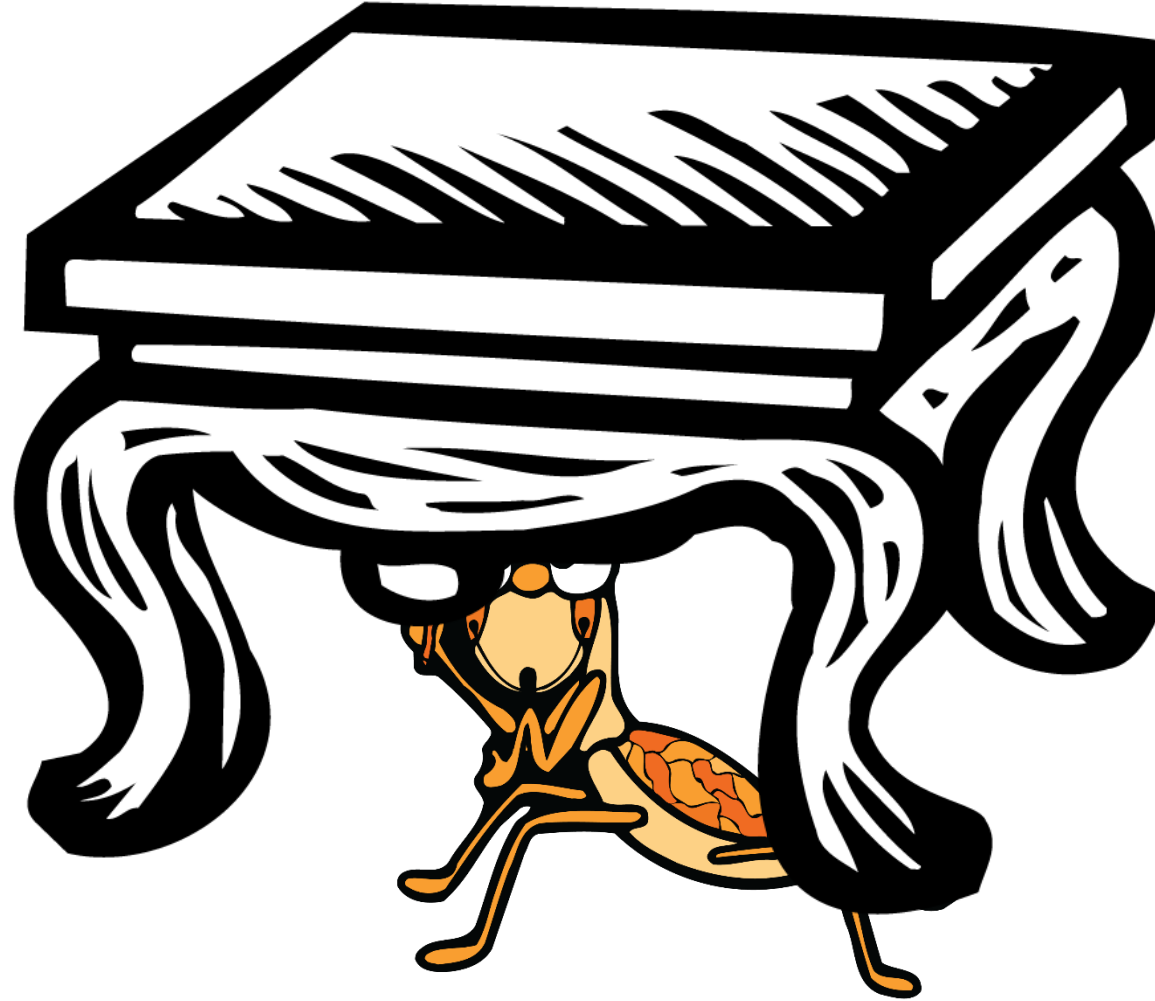

The bug is _____ the cupcake.

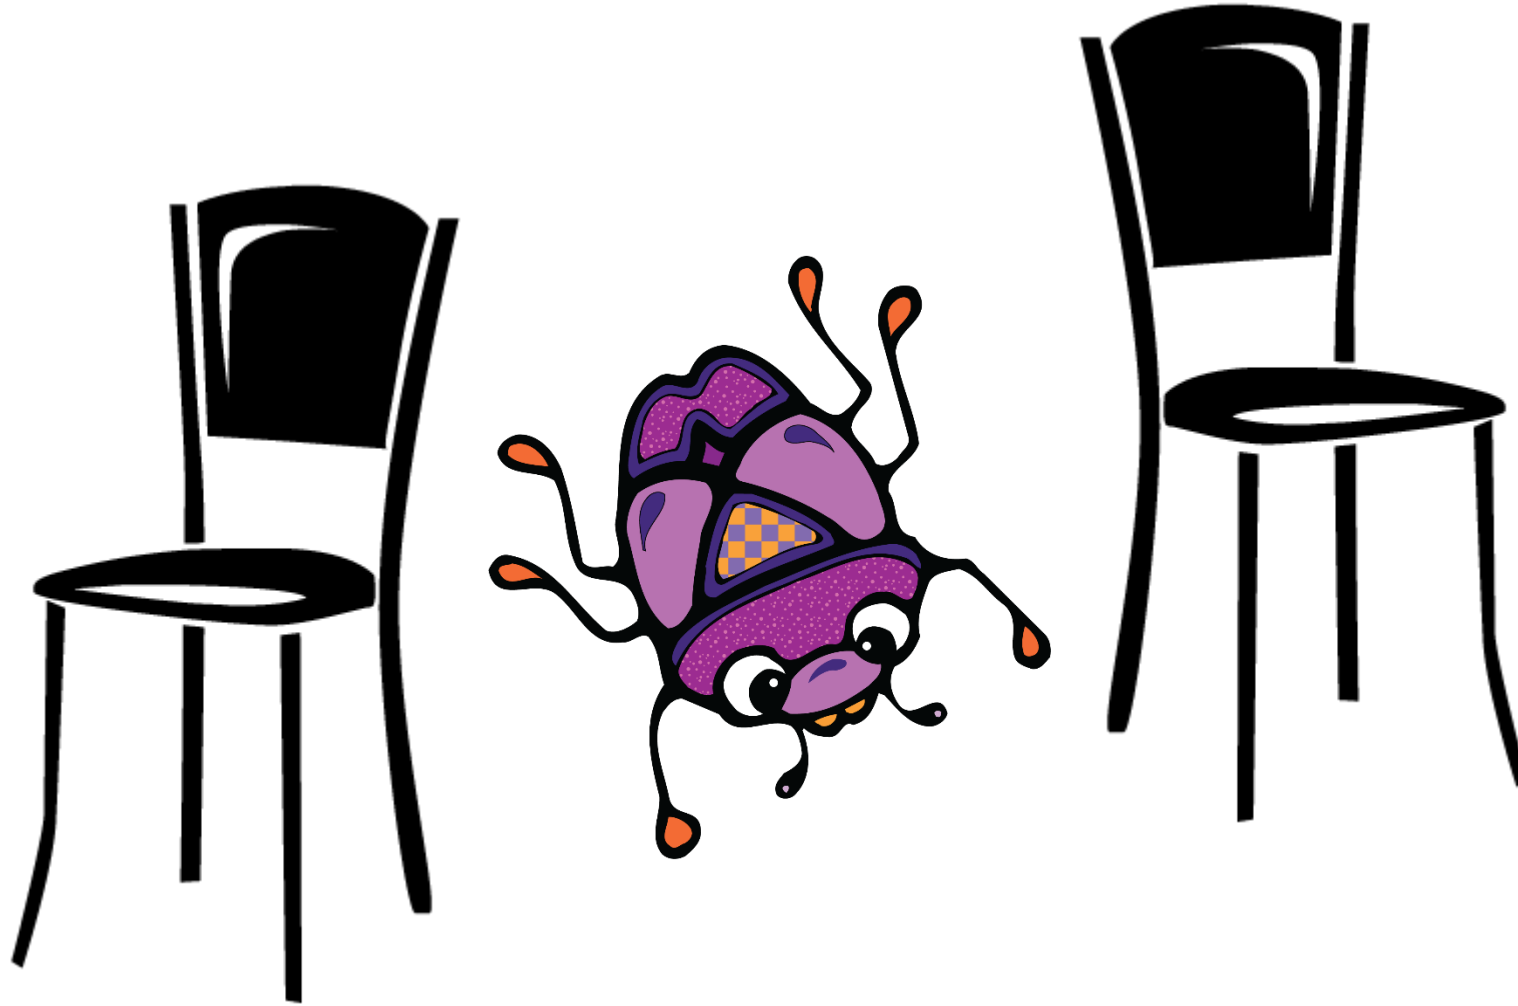

The bug is _____ the book.

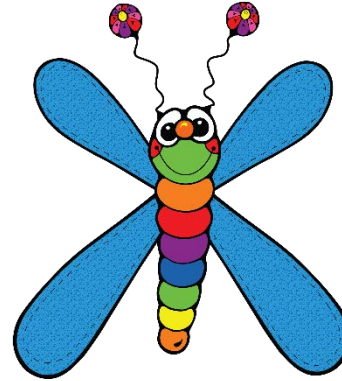

The bug is _____ the table.

The bug is _____ the chairs.

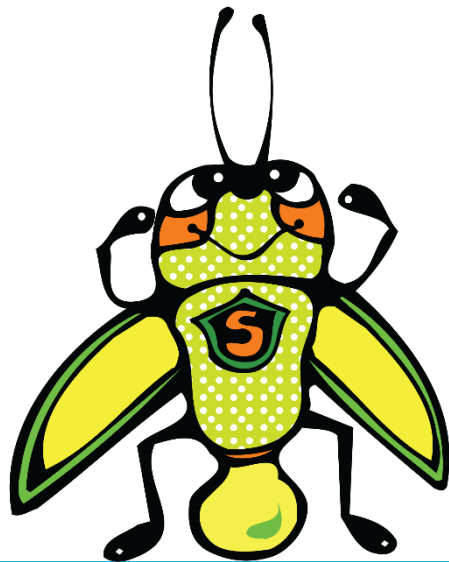

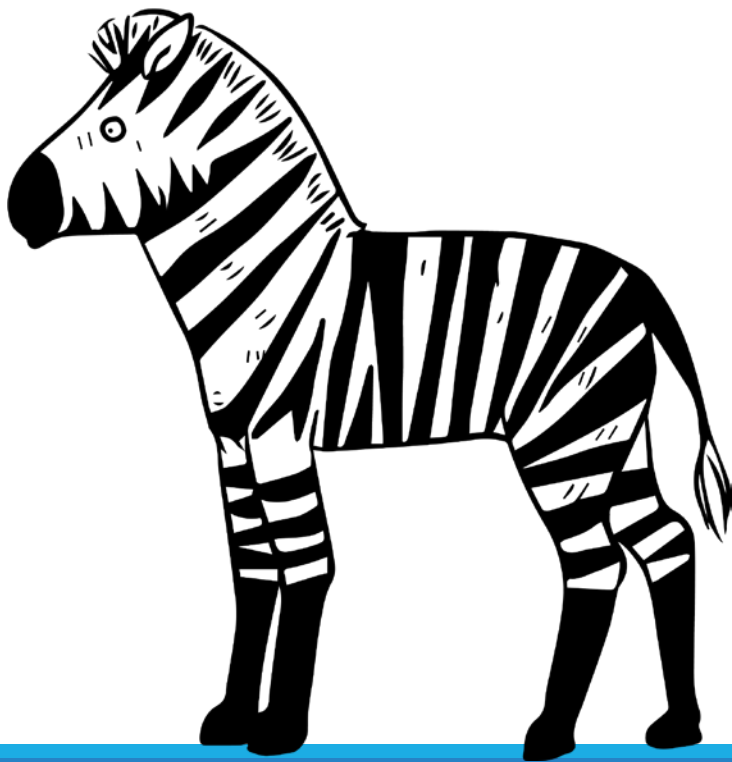

The bug is _____ the tree.

The bug is _____ the tree.

The bug is _____ the zebra.

The bug is _____ of the book.
